1 minute to discover the latest Rotary news

Rotary.org: the website of Rotary International

The Rotary International website, <https://www.rotary.org>, is an indispensable tool for all Rotarians.

It offers centralized access to all the resources needed to better understand Rotary's work and strengthen one's commitment.

Each member can discover the organization's major programs, follow the progress of global humanitarian projects and consult strategic priorities.

Rotary.org also provides access to *My Rotary*, a personal space where you can manage your profile, find official documents, follow online training courses and participate in action groups.

The site offers a wealth of information on grants, Rotary Foundation activities, and international collaboration opportunities.

It also includes communication tools, document templates and ideas for actions to boost your club.

Thanks to Rotary.org, every Rotarian has a comprehensive platform to learn, train, and act in service of a better world.
